

**ARCHITECTS AND QUANTITY SURVEYORS REGISTRATION BOARD**  
(Under Act No.4 of 2010)

**NOTICE TO THE PUBLIC**

**ANNUAL PRACTICING LICENCE**

The Architects and Quantity Surveyors Registration Board (AQRB) is a Government Institution established by the Architects and Quantity Surveyors (Registration) Act No.4 of 2010 (cap 269), and among its functions is to register and regulate conducts of Architects, Interior Designers, Landscape Architects, Architectural Technologists, Quantity Surveyors, Building Surveyors, Construction Managers, Project Managers and their practicing firms.

This is to inform you all the Clients and Developers that architectural, quantity surveying and allied discipline firms are required to have a Valid Annual Practicing Licence issued by the Board, in addition to the registration Certificate.

The General Public is hereby informed that before engaging architectural, quantity surveying and / or allied discipline firms, shall ensure that the said consulting firm has a Valid Annual Practicing Licence issued by the Board.

For more information, please contact the undersigned.
