

# ARCHITECTS & QUANTITY SURVEYORS REGISTRATION BOARD

(Under CAP 269 R.E. 2023)

## CALL FOR APPLICATIONS FOR ARCHITECTURAL AND QUANTITY SURVEYING INTERNSHIP PROGRAMME (AQIP) BATCH 22 FOR YEAR 2026

The Architects and Quantity Surveyors Registration Board is Government Institution mandated to enforce the Architects and Quantity Surveyors Registration Act, **Cap 269 R.E. 2023** among its functions is to register and regulate the conducts of Architects, Quantity Surveyors and Allied Professionals.

The Government has allocated funds in its fiscal year 2025/26 towards implementing the Architectural and Quantity Surveying Internship Programme (AQIP). The objective of the programme is to enable Tanzanian graduates in Architecture, Quantity Surveying, Interior Design, Landscape Architecture, Technology in Architecture, Construction Management and Building Survey to acquire professional practical training for the period of two years before sitting for professional examinations of the Board.

Consequently, the Board hereby invites applications from candidates with the following qualifications:

1. Graduates in Architecture, Quantity Surveying, Interior Design, Landscape Architecture, Technology in Architecture, Construction Management and Building Survey with a minimum of a Bachelor degree from a recognised institution.
2. Applicants must be registered with the Board as graduates in the respective professions using the online registration system with the link <https://ors.aqrb.go.tz>

Applications should be made through the online registration system using the above link by Friday **19<sup>th</sup> December 2025**.

**Note: Fresh graduates who have not yet obtained their certificates / transcripts are required to upload complete certified provisional results together with a letter from the appropriate institution as an evidence that they have successfully completed their studies.**

**Issued on 23<sup>rd</sup> September, 2025 by:**
